About us

Lexington Hearing & Speech Center is a nonprofit organization that has served Kentucky families from over 76 counties since 1960. Our primary mission is to teach children with hearing loss and speech/language delays or disabilities, to listen and talk.

We do this through early intervention programs, audiology services, speech/language therapy and an early education center.

"Tele-Talk & Teach"

A program dedicated to teaching Listening and Spoken Language strategies to parents of children with hearing loss, ages 0-3, living in Kentucky through tele-intervention in the child's home
